

G-COE and RCMS Seminar

Noah Z. Burns

*Department of Chemistry
The Scripps Research Institute
(Laboratory of Phil S. Baran)*

**“ Haouamine A: Proof of Absolute Configuration and Further
Chemical Insights Gained Through Total Synthesis”**

August 29, 2008

16:30~17:30

*Chemistry Gallery, Noyori Materials Science Laboratory 2F
(Research Center for Materials Science)*

Host: Kenichiro Itami, Junichiro Yamaguchi
